CRAFT SPIRITS BARREL ♦ HANDCRAFTED IN KENTUCKY

200-L
53-GAL

The **Spirit by Canton** barrel is designed to reveal the full potential of your premium spirits. At Canton, we have built on our 80+ years in barrel making to craft this first-class 53 gallon barrel.

Manufactured in Kentucky, the Spirit by Canton barrel offers the features of a traditional spirit barrel, enhanced by our stringent American oak selection, expert craftsmanship and superior aesthetics. We offer multiple options of char, toast and wood selection, providing a full spectrum of aromatic variations.

SPIRIT

by CANTON

HANDCRAFTED IN KENTUCKY

SINCE 1939

Canton Cooperage is distinguished by its unparalleled experience of crafting premium American white oak barrels. Member of Chêne & Cie since 1998.

Canton is a proud sponsor of the American Forests Tree Planting Program.

AMERICAN FORESTS

EXPERT CHAR

- ◆ All barrels are pre-toasted, and then charred, according to our house formula.
- ◆ Standard char for staves is 3.0 – 4.0 (“Alligator” char). Other char levels available upon request.
- ◆ Barrel heads can be charred or toasted upon specification.

WOOD QUALITY

- ◆ Carefully selected American white oak.
- ◆ Seasoned for a minimum of 12 months in our woodyard in Kentucky, to ensure smooth tannins and taste.
- ◆ All staves are hand selected to ensure premium quality and aesthetic appeal (no sap wood).

CUSTOMIZABLE FLAVOR

It is possible to vary the following parameters and options:

- ◆ Wood seasoning – longer seasoned wood available.
- ◆ Wood selection – options for white oak sources.
- ◆ Fire toasting can be offered instead of charring.

SPECIAL FEATURES

- ◆ HACCP food safety – third-party certified since 2006.
- ◆ Computerized traceability. Unique identification number per barrel.
- ◆ Haloanisole and Halophenol panel tested multiple times during production process.
- ◆ Barrels are sealed with a plastic cup and shipped with a bung (wood or silicone, upon specification).
- ◆ Barrel integrity – can be stored empty for several months before filling.
- ◆ Galvanized steel hoops.
- ◆ Laser branding. Optional customized logo on barrel head.
- ◆ Sanded and hand finished, with reduced splinter risk.
- ◆ Reinforced packaging available upon request.
- ◆ One year warranty.
